LIVE THE HISTORY!

The Black Horse was initially formed in Fauquier County in 1859 as an independent volunteer cavalry company. The unit guarded John Brown at Harper's Ferry prior to his execution. With the secession of Virginia from the United States, it was mustered into the service of the Commonwealth of Virginia in May of 1861. At First Manassas, it initially guarded the commander but was later released to pursue the retreating Federals. As part of a squadron composed of the Black Horse Troop, Captain Payne and the Chesterfield Troop, Captain Ball, under the overall command of Lt. Col. Thomas T. Munford, it pursued the Federals to Cub Run and captured ten rifled cannon, their caissons, and forty-six horses. The company later became Company H of the 4th Virginia Cavalry Regiment. The 4th Virginia Cavalry was comprised of companies from Prince William, Chesterfield, Madison, Culpeper, Powhatan, Goochland, Hanover, Warren, and Buckingham counties, some of the finest sons of the "Old Dominion".

The roster of the Black Horse included a great many young men from the oldest and most established families of Fauquier County, in the heart of Virginia's horse country. Many had honed their skills for years before the War in foxhunting and at the jousting tournaments held in Fauquier Springs, and rapidly adapted those skills to the needs of cavalry in wartime. The Black Horse served from First Manassas to Appomattox Court House, participating in every major battle and campaign that involved the Army of Northern Virginia and never surrendering their colors. The unit produced three brigadier generals and numerous post-war elected officials.

The present Black Horse is a group of living historians established for the purpose of challenging their horses and each other in accurately reenacting and honoring cavalymen of the past. They attempt to equip and train as authentic, disciplined Confederate cavalry. The unit was founded in 1972 and currently has over 30 members. The Black Horse participates in Civil War battle reenactments, living histories, presentations for the public, and films. Strong emphasis is placed on developing skills of a cavalryman, and members are expected to attend drills and hone their skills.

General Information

Upon arrival, treat yourself to coffee and doughnuts and meet the members of the Black Horse Cavalry. All riders must be in the saddle at 9:00 AM and ready to ride. Upon mounting, you will receive an historical overview and then enjoy a brief demonstration that reflects the authenticity and dedication to the unit and its history. You will be divided into small groups based on your preferred ride speed and assigned a guide leader.

The trail course may leave Manassas Battlefield Park in order to view the Sudley Ford crossing, portions of the unfinished railroad, and the Sudley Springs crossing. The speed of walk/trot/canter groups may be limited by weather, trail conditions and safety. This ride will include water crossings, narrow trails, and maneuvering muddy banks in and out of Bull Run, Young's Branch, Catharpin Run, and others. **Horses should be prepared for water crossings in advance. Be prepared to be in the saddle for 2 to 3 hours and ride about 10 miles. If you do not feel you can handle that time and distance, please request a shorter/slower ride.**

Upon your return, lunch and refreshments await you. This is a wonderful time to enjoy the company of the Black Horse Cavalry and your group companions.

Ample trailer parking is available. Parking attendants will be onsite for ease and coordination – please obey the requests of the attendants. You may choose to bring your own water or there will be an onsite water buffalo for you to fill your own water buckets (no common water trough). Portable rest room facilities are available. For the safety of the horses, riders and volunteers, please leave your dogs/pets at home.

Release and Waiver of Liability

I am a participant, not a spectator, engaged in an equine activity. I am aware that equine activities, whether riding or not, poses potentially serious risks of injuries or death to its participants. I understand that my horse or I may be injured or die as a result of my negligence, the negligence of others, or through no fault of myself or anyone else, because of the nature of the activity in which I am going to be engaged. I also understand that horses, even the best trained, are often unpredictable and difficult to control.

With this waiver I accept notice of the provision of Section 3.1-796.130 through 3.1-796.133 of the Code at Virginia, which states in part: That there are inherent risks in equine activities, including (i) the propensity of an equine to behave in dangerous ways which may result in injury to the participant; (ii) the inability to predict an equine's reaction to sound, movements objects, persons or animals; and (iii) hazards of surface or subsurface conditions. The waiver shall remain valid unless expressly revoked by the participant or parent or guardian of a minor, in writing, with receipt acknowledged by at least one of the officers or directors of the Battlefield Equestrian Society (BES).

Furthermore, with this document, I expressly assume the risk of injury or death due to negligence by the BES, its officers, directors, members, agents, employees, and staff, or guests for my own safety or for the safety of my minor child or horse. If this or any other provision of this Agreement is held invalid, illegal, or unenforceable, the remaining provisions shall be unimpaired.

With the knowledge of the foregoing, and as an inducement for the officers, directors, and members of BES to allow my participation, I do hereby waive and release any and all rights that I or my heirs may have to make a claim against the BES or its members; the owners, tenants or others of interest of any property over which I may pass, ride, or by any other means be; and other participants (including guides, planners, judges, or others) arising from any damages, injury, or death which I might sustain or which might occur to any horse as a result of my participation in this equine activity. I further agree to indemnify all of the foregoing from any claims which I might make or which might be made on my behalf by others or which might be made against me by others arising from riding with the BES or following or participating on foot or by automobile. Furthermore, I agree to indemnify the BES and its members for any injury, death, and loss of or damage to any personal property, which I might cause during this equine activity.

I further acknowledge and accept that BES strongly suggests that I will wear an approved hard hat/helmet while participating in this ride.

By signing this release and waiver, I understand that I am giving up any right I have to sue or make a claim which I might have or which might subsequently arise or occur against the BES and its members and participants for any injuries I might sustain while horseback riding or following or participating on foot or by automobile and that I am indemnifying BES and its members for injuring anyone else or any horse ridden by another while so engaged. It is my intent to give up those rights, and I do so knowingly and voluntarily.
